SEASON *Twenty Twenty Six*

Welcome to the 2026 season!

As always, a great deal of work has taken place behind the scenes during the off-season to prepare for another big year of footy. With the continued support of our players, sponsors, and supporters, we're excited about what lies ahead.

A big thank you to everyone who has already committed to roles, whether on-field or off-field. Our club simply would not survive without the incredible effort of our volunteers, whose hard work underpins everything we do throughout the season.

This booklet provides a helpful overview of the many roles that need to be filled to keep things running smoothly for both LPNC and UFC. We are fortunate to be part of a community with such dedicated people who give their time and energy so generously, and we are truly grateful for all that you do.

To continue to grow and thrive, we need to stick together and share the load—so please consider putting your hand up when opportunities arise to help out.
Regards,

Shane Jarman

UFC President

CLUBS WIN PREMIERSHIPS

We're excited to welcome back all our returning players, coaches, team managers and supporters, and extend a very warm welcome to any new faces joining the Long Plains Netball Club for the 2026 season.

As President, and coach of our A3s, I feel incredibly lucky to be part of such a passionate and supportive club. The commitment and community spirit around Longies is something really special, and what makes our club such a great place to be.

Coming off a fantastic 2025 season, we have plenty to be proud of, with six teams playing finals, two Grand Final wins, strong representation at Country Championships, and several association Best & Fairest winners and runner-ups across the club.

Our club runs on the support of our volunteers, with a large number of roles to be filled each home game – from umpires and scorers to canteen, and clean-up duties.

This booklet outlines those roles across the season. With 8 home games, that's 8 Saturdays where we ask everyone to contribute, support each other, and help our club run smoothly. Every contribution, big or small, is greatly appreciated.

Here's to another big year in the black and gold Tigers!

Josie McArdle

LPNC President

As well as our competition success, we are very proud of our 'out of game' achievements such as our club facilities, club culture, along with being involved in our local community.
